OPCA commits to an equitable and inclusive workplace, including but not limited to: racial equity, accessibility for individuals with disabilities, use of gender inclusive language, and cultural sensitivity.

1. Primary Purpose
The CHC Sustainability Manager contributes substantial subject matter and project management expertise to the development and implementation of technical assistance and training programs that support health center workforce; members exploring new health center access points; nonmember entities considering FQHC status; as well as health center governing board training, as needed. The CHC Sustainability Manager works in close partnership with the CHC Sustainability and Transformation Directors to provide daily management of technical assistance and training programs including project management of the above specific bodies of work and delivery of technical assistance to members.

2. Essential Duties and Responsibilities (~80% of time)
   Technical Assistance (TA) and Training Program Management
   ▪ Health Center workforce support constitutes 75% of this position.
   ▪ This position supports the development, implementation and evaluation of OPCA’s strategic approach to supporting health centers in workforce priorities which includes but is not limited to federal and state incentive programs; NHSC partnerships; maintain/developing new workforce partners; meeting new HRSA workforce requirements; and leading an HR leaders peer group. As the landscape changes and continues to evolve, focus topic areas may change and evolve as well.
   ▪ As the lead in developing, implementing and evaluation OPCA’s strategic approach to supporting health centers in workforce priorities (in conjunction with the Sustainability Director) you will:
     a. Develop a workforce development program plan establishing timelines, metrics and outcomes.
b. Develop, conduct and analyze comprehensive needs assessments to determine status of workforce related needs at health centers.

c. Develop and implement technical assistance, coordination and management of efforts across Oregon FQHCs in the area of workforce development.

d. Establish and facilitate a peer group made up of health center HR leaders (or other leadership staff responsible for workforce planning).

e. Provide support, resources, best practices and information to health center staff in the area of workforce development and serve as the primary interface between OPCA and workforce development partners.

f. Collaborate and partner with the HRSA Region 10 workforce staff and National Training and TA Partners (NTTAPs) on promotion and development of joint workforce related trainings and technical assistance for health centers.

g. In collaboration with the state Primary Care Office (PCO) and Oregon Office of Rural Health (ORH), maximize state and federal resources by notifying health centers of programmatic updates or changes in the National Health Service Corps Loan Repayment program, Oregon State Loan Repayment Program, Nurse Corps Loan Repayment Program, J1 Visa Waiver program, etc.

h. Participate in all TTA required by HRSA to meet their requirements for this position such as participate in TTA on the use of the Readiness to Train Assessment Tool (RTAT™), administer the RTAT™ using an online software tool, and provide targeted TTA to health center staff on the RTAT™ and advance HRSA required Health Professions Education & Training (HP-ET) initiative.

i. Establish strategic partnerships between community colleges, four-year colleges, and universities to recruit and retain students from rural and underserved communities who have a strong desire to pursue a career working in a health center.

- Provides daily program management for delegated bodies of work within the CHC Sustainability-focused components of the technical assistance and training programs work plan to achieve effective support to members exploring new health center access points; nonmember entities considering FQHC status; as well as health center governing board training, as needed. This constitutes 5% of this position.

- In partnership with the CHC Sustainability and Transformation Directors, contributes to the development and successful completion of team processes for aligning, coordinating and integrating Sustainability and Transformation work priorities and plans that are driven by the OPCA strategic plan, funded commitments and resource availability.
